

Sportsman's Resource Connection (SRC) is the only website dedicated to providing content uniquely relevant to the greater St. Louis area **sportsman and sportswoman**. Whether you are interested in local hunting, shooting sports, fishing, international or "out west" hunting we attempt to be your **"one stop shop"**

for information that will help you enjoy those passions to the fullest. We gather, sort and organize information and resources that allow St. Louis area sportsmen and women to quickly access the information they need.

Check out our **Links section** where we have several categories that are specific to St. Louis: St. Louis Area Shooting Facilities, St. Louis Area Preserve Hunting Clubs, St. Louis Area Retail Stores that cater to the hunting community and St. Louis Chapters of Conservation Organizations.

We are always looking for local hunters to submit an article and a picture or two from a recent hunt for our **"Wild Experience"** section. You do not have to be a professional writer. We can interview you about the hunt or you can write and submit your article of 1000 words or less. We will review the article and call you to discuss its publication. This is a free service. Who knows maybe your hunt and writing ability will give Craig Boddington a run for his money. We are also looking for local sporting folks to submit wildgame recipes or share any information they think would benefit the local area sporting community.

We publish an e-newsletter "Straight Shooter" which provides information regarding upcoming sporting activities like: shooting/archery leagues, charity shoots, banquets and relevant workshops taking place in the greater St. Louis area. If you are involved or aware of any upcoming event that the sporting community might be interested in please e-mail us the information and we will do our best to promote the event through our e-newsletter and post the event on our sites Calendar.

To subscribe to or to submit content/upcoming event information for publication consideration in the **"Straight Shooter"** please e-mail me at MDJSportsman@gmail.com .
